

COLLEGE STEPS is a non-profit organization whose primary goal is to support students as they increase their autonomy during their transition to and through college. The College Compass program provides individualized programming with a strong emphasis on academic support and self-advocacy.

In partnership with HireAbility, College Steps will provide students with the necessary counseling and mentorship to be engaged on campus and find success in class-related assignments and activities. Each student will be able to access between 4-10 hours of HireAbility-funded support per week based on their individual need as determined by College Steps.

SEEKING REFERRALS: We are actively accepting applications for this program at our Vermont campus partners:

Individuals seeking support from College Compass must have an open case with HireAbility. Interested students should work with their counselor to discuss the program, application process, and next steps.

NOTE: Service provided at Montpelier, St. Albans, and Winooski CCV locations only.
